# FINAL DAYS

The Bible  
Will Be Our  
Guidebook!

## Meet Our Speaker

**Eric Freking** has taught the great themes of Bible prophecy for the past fourteen years to audiences throughout North America. Eric is well known for his dynamic teaching style and ability to make complex Bible topics clear and understandable. Raised in a nominal Christian home, Eric had a life changing experience while in college studying to be a teacher. Realizing that God was calling him to full-time ministry, he went on to get a master's degree in theology and is currently working toward a doctorate degree. Eric's presentations will remove the mystery that often surrounds the apocalyptic books of Daniel and Revelation. You will learn about crucial end-time issues like the Antichrist and the Mark of the Beast. Most importantly, Eric promises to uplift Jesus Christ—the very center of Bible prophecy.

If you are wondering where the current frightening world events are taking us and longing for hope in these uncertain days, you will find answers in this upcoming free seminar on Bible prophecy. Think you have heard it all before? Think again! Don't miss it!

**"I make you these sincere promises:**

1. The Bible alone will be your textbook,
2. We will not beg you for your money, and
3. You will be blessed, challenged and encouraged as you attend nightly."
